Re: Mercedes-Benz U.S. International, Inc. (MBUSI)
Cases 10-CA-112406, 10-CA-115917 and 10-CA-121232

**EXTENSION OF TIME TO FILE
POSITION STATEMENTS ON REMAND**

The request for an indefinite extension of time to file position statements on remand in the above-referenced cases is **denied**.

While we understand and appreciate that the parties are working to effectuate a settlement of these cases, it is not the practice of the Board to grant requests for indefinite extensions of time. An additional 28 days, or until **October 27, 2017**, is granted for the filing of statement of position with respect to the issues raised by the Court's remand to the Board. This additional time will allow the parties to continue their efforts to finalize and execute a formal settlement stipulation resolving the pending issues in this matter. If additional time is needed to complete these negotiations, the parties can request additional time as it is needed.

This extension of time for filing position statements applies to all parties.
